

# Decoration Grant Scheme

Better Homes • Stronger Communities

When you move into a new home, or improvements or repairs have been carried out in your home, you may be eligible for a North Lincolnshire Homes Decoration Grant.

These grants are awarded to help towards the purchase of materials or services you need to decorate your home.

North Lincolnshire Homes is working with seven DIY stores which will supply the things you need.

### How does the scheme work?

When you move into your home, or improvement or repair work has been carried out in your home, a North Lincolnshire Homes' representative will visit you and assess if you are eligible for the grant and how much you can expect.

You will then receive a letter telling you how much you have been awarded.

The letter must be taken to one of the selected stores, with two different forms of identification. It can then be exchanged for the following items or services, up to the value of your grant.

- Wallpaper and paste.
- Paints, varnishes and woodcare products.
- Sandpaper, fillers, sealants and masking tape.
- Paste table.
- Turpentine and paint thinners.
- Scrapers, brushes, rollers and paint trays.
- Dust sheets.
- Decorator services.

## What do I need to do?

A member of staff from North Lincolnshire Homes will explain the following steps you will need to take.

**Step 1...** Choose the store from which you wish to buy your decorating items or services from those advertised in this leaflet.

**Step 2...** If you are unable to visit the store yourself and wish for a friend or relative to go on your behalf, please tell the North Lincolnshire Homes' staff member, informing them of the name of your representative.

- Student ID card (where none of the above are available).

**And a second form of identification from the list below. If you are a new tenant and have not yet received any utility bills, a Tenancy Agreement will be acceptable.**

**Step 4...** If you have no outstanding arrears you will receive your decoration grant letter within 10 working days or when you sign for a new home.

**Step 5...** Once you have received your decoration grant letter you or your nominated representative must visit your chosen store within three months, remembering your two forms of identification, and select the products or services you would like.

### Deferring your grant

You have the option to defer receipt of your decoration grant for up to six months. Please inform North Lincolnshire Homes if you wish to do this.
